WHAT to BRING to CAMP:

Lunch: Please bring your own lunch and an afternoon snack to camp each day. We have no extra refrigeration for camper lunches so please make sure they are suited for room temperature. Drinks will be provided. Please come to camp with a LABELED bottle of water for use throughout each day as we work up a sweat and need to stay hydrated.

Clothing: When you arrive at camp, please wear loose, comfortable clothing as you will be participating in a self-defense workshop during the week. Also, the campsite may become pretty hot inside due to the volume of people and activities, so please dress appropriately.

Personal belongings: Try to pack light and make sure to LABEL ALL YOUR BELONGINGS, including all gear, instruments, bags, jackets, etc. and if possible, do not bring a purse. Items inevitably get lost each session so clearly label everything that might be separated from you at any time. A "Lost & Found" will be kept at the Reception Desk up front.

HOST FAMILY INFO:

We are no longer offering host family referral to campers and families. If you are coming from out of town we have group rate hotel information available on our website. We encourage campers and families to network with their peers, however we are unable to give campers any personal information of other participants.

NEARBY HOTEL INFO:

There are several hotels close to the campsite. Detailed information can be found on our website www.girlsrockcamp.org now. Mention you're in town for the Rock 'n' Roll Camp for Girls to see if a group rate applies to your stay.

MEDIA INFO:

If you do not wish to be filmed or have any camera/recording restrictions, please notify us in advance by stating your restriction on the MEDIA RELEASE FORM included in this letter.
